

## 2017–18 Tuition Prices

Last Updated: 30 October 2017

Tuition will be due monthly, and is based on the number of classes a family takes per week. Tuition payments will run the length of the school year, or 11 months from August through June.

A down payment of at least \$100.00 is due when enrolling. If you would like a lower monthly rate, then you may increase your down payment. Holidays and the down payment have already been accounted for when determining tuition prices. We enroll throughout the dance year; if enrolling after our season has started, then your down payment will be prorated.

### Tuition Fees

Classes taken by siblings or parents may be combined into a single payment to achieve multiple class discounts. Monthly rates are based on the \$100.00 down payment.

<b>Nº Weekly Classes</b>	<b>Monthly Rate</b>
1	\$50.00
2	\$80.00
3	\$100.00
4	\$120.00
5	\$140.00
∴	+\$20 per additional class

Unlimited classes for one student is \$160.00 monthly. All other family members will be charged an additional \$20.00 per additional class (monthly).

A savings of 10% will be honored for paying the entire year dance year of tuition in full.

**Compete Services, Inc. will be acting on the behalf of The Dance Box, LLC to collect all monthly tuition payments through auto-draft. The down payment and full year payments will be collected directly by the Dance Box. (All payments are non-refundable unless a doctor's note is provided.)**
